Thanks. I reordered it a bit. Will still cast it as a working document.

Hi Jayne and Don,

Here's the latest I have – it's what I put together after meeting with Jayne yesterday and using other write-ups from the RA briefing.

I'm sure this can be edited and some pros and cons can be added to the options piece. Jayne, if you feel like this is useful, please feel free to forward to the rest of the CZARA Managers Call group.
